The jobs listed below will have a revision to the Special Requirements effective 07/16/2017. The Special Requirements section of the Job Specification contains the language for requiring the agency to be responsible for any ongoing certification/licensure after an employee is hired. This revision will standardize the wording in the Special Requirements section to provide consistency job specs requiring ongoing requirements.

*“Must maintain any required licensure(s), certification(s), or other credentials for the length of employment in this classification. Employing agency is responsible for ensuring employee possesses and maintains required licensure(s), certification(s) or other credentials.”*
